Sorry, but you
got a serious note.
You've gone through a lot this
year and have held up reasonably well.
Don't get down so much; your personality
is too nice to hide it by getting depressed.
You've got an awful lot going for yourself!
Make the most of it. Thanks for being in my class!
(Even when you were grumpy, you were nice to look at!)
Stop by and visit next year.

The Colors of Life

When the brush of innocence is dipped into
the pail of life, we are all tinted
with shades of experience, and
the walls of our souls are splattered
with knowledge.
Paint me white with innocence as youth
cradles me from impending reality.
Paint me gray with confusion as adolescence
scolds me with awareness.
Paint me red with anger as life
mocks me with injustice.
Paint me blue with depression as loneliness
befriends me.
Paint me green with envy as jealousy
consumes me.
Paint me yellow with cowardice as failure
enshrouds me.
But . . . paint me clear with understanding
as maturity teaches me that God has
given me courage to overcome, and strength
to endure, and patience to tolerate so that
my life might be brushed with happiness
and joy as I walk in the shadow of His
wisdom.

Thursday afternoons, the upper resource center turns into a real battle field as the Naperville North **Wargamers Club** digs out all those exotic games. Two or three hours of fun, scheming, and yelling can be had by those in attendance. The idea for the club was to learn some history plus the problems involved and strategies involved of historical combat. Mr. Bob Teela and his officers: Jim Hardy, Joe Rielinger, Bob Bendis, Tim Sorensen, and Art Schattke planned the activities.

Sensational and sintalating can be used to describe this year's **Starlettes.** Hours and hours of practice payed off when the North crowd applauded routines performed at home football and basketball games. The year was capped off by placing 1st at the Palatine Invitational and 1st at the Downers Grove North Invitational. The girls were judged on dress as well as performance. The new state competition found the girls winning 2nd in their division.

Paint your wagon or more likely a mural on your class room? The newest Club at North, **Art Club,** made a splash onto the scene this year. Mr. Barrie Wilson and 15 or 20 talented art students planned lots of activities and competitions. These included the women's Art Guild, the Northern Illinois High School Conference/Exhibit and a Spring Art Show here at North. Club members sold candy to raise money to advertise the Spring show.

Distributive Education Clubs of America sponsored and taught by Mr. Phil Scheel entered into competition at Springfield, Illinois during March 1980. Chris Fredell won an award in Apparel and Accessories and Dawn Gehrke in Food Marketing. This allowed them to go to Miami, Florida in June for National competition. The officers of the DECA were: Rich Parissidi, Chris Fredell, Spike Noel, John Koreke, and Dawn Gehrke. If you're looking for opportunities in business and sales, sign up for the DECA class.

National Honor Society members are chosen for top-ranking scholastic achievement and faculty recommendation as to leadership, service and character. The group was sponsored by Mrs. Jean Chase. Officers were: Becky Carr, president; Steve DeLessio, vice president; Amy Baumel, secretary; Paul Feeney, treasurer; and Steve Roeder, parliamentarian. Two members were lucky enough to win $1000 scholarships from money made by the members. The yearbook staff was not privy to the names of those individuals at this writing.

Office Education Association competed in many local and national contests this year. The active members had to apply and be accepted into the office education class. Students involved were seniors.

Typing, shorthand, and job interviews are not the only things that involved this group. OEA also had time to sell calendars and candy so that enough money could be raised for the Spring Employer Appreciation Banquet, Ms. Kathy Marek was the sponsor with Ruth Givler, president; Jewel Dressander, vice president; Jana Johnson, treasurer; Kim Born, secretary; and Debbie Zaininger, historian.

In the evenings once a month all of the **Future Farmers of America** met to plan all of their competitions and activities. The group came from a course offered at North. During the year students learned leadership techniques, livestock judging, and horticultural judging. The class competed at different places across the state using the skills learned. FFA ended their year with a Spring Trip with the money earned from their cheese and plant sales. Kela Cervenka, president; Paul Callendaer, vice president; Lisa Hajek, secretary-treasurer; Davina Hollow, reporter; Steve Navalany, Jr., sentinel; and advisor John Bushman planned all of the activities.

Time is . . .

Too slow
for those who wait,
Too swift
for those who fear,
Too long
for those who grieve,
Too short
for those who rejoice;
But for those who love
time is eternity.

Jenny,

Hi. What's up chick. I'm really glad I met you this year because you have helped me out with so many problems. Mike and everything. You will be always there when I needed someone to talk to. I love ya for it and thanks alot. It was alot of fun this year. Especially in Rosary. That was a blast. I wish we were still in the same class. But plan on being in some classes together and we will raise hell. I wish you would have tried out for varsities. It would have been a great fundraising hell as we did in Sparkettes. Keep up the good work with Mike. You seem to be happy with him so you make him happy too okay chick. (you don't need me to tell you that) Good luck always. Keep in touch this summer.

Love ya,
